SUP Chapter TREK Ideas

Alphabetical by County in (Utah) (Idaho) (Wyoming) (Arizona) (Nevada)
Updated 2-5-25

The Chapter Treks listed here have been used by Chapters throughout the Society to visit sites of interest and provide positive social interaction between members. Chapter Trek Directors will check out the destination and plan the detailed itineraries. New Trek Ideas may be sent to AVPs Dan Adams at upnadams70@gmail.com or LaRon Taylor at lrt68rocks@gmail.com as new updates of this document are shared with all Chapters through the National Website.

STATE OF UTAH

Treks in Beaver County, Utah

1-CAPE STATION GEOTHERMAL PLANT. North of Milford, Utah will be the world's largest enhanced geothermal plant and expects to begin pumping out continuous electric power in 2026. It would be smaller than the state's coal plants but larger than any hydroelectric plant in the state, including the Flaming Gorge Dam.

2-ADAMSVILLE TOWNSITE First settled in 1862 by David B. Adams and others. It was named Adamsville in 1867 after being named Wales and also Beaver Iron Works.

3-FRISCO GHOST TOWN AND HORN SILVER MINE West of Milford, Utah on Ely Highway 21. Frisco was once a large and wild mining city with close to 6,000 people during its heyday. As of March 1879 the Horn Silver produced 10,352 tons of lead and 1,293,250 ounces of Silver. By 1880 the Horn Silver area had 800 employees.

Treks in Box Elder County, Utah

1- GOLDEN SPIKE NATIONAL HISTORIC PARK 6200 N 22300 W, Corinne, UT
(435) 471-2209 One of the greatest technological achievements of the 19th century is the completion of the first transcontinental railroad across the United States. 1869 railroad construction features, walk or drive on the original railroad grade, and get an up close view of Victorian era replica locomotives.

2- ATK ROCKET GARDEN, 9160 UT-83, Corinne, UT 84307 435-863-3511

ATK has a free outdoor park displaying dozens of missiles and rockets. ATK Launch Systems, (formerly Thiokol), founded in 1929 as Thiokol Chemical Corporation, is the world's largest producer of high-technology solid rocket motors for space, defense, and commercial uses.

3- BEAR RIVER MIGRATORY BIRD REFUGE (435) 723-5887

2155 Forest Street, Brigham City,UT The Refuge protects the marshes found at the mouth of the Bear River. These marshes are the largest freshwater component of the Great Salt Lake ecosystem and are an oasis for waterbirds and wildlife.

4- LARGEST COLLECTION OF HORSE-DRAWN VEHICLES 8790 W 11200, Tremonton, UT (435) 730-3368

https://wagonland1996.wixsite.com

View this unique collection showcasing beautifully restored wagons from the past. Located in northern Utah, this hidden gem offers visitors a personal guided tour through some of America's richest history.

5- BRIGHAM CITY HISTORIC SITES Visit historic buildings as the Brigham City Temple and Tabernacle. The Brigham City Co-op, the longest running Co-Operative United Order in the LDS Church.

Treks in Cache County, Utah

1- LOGAN TABERNACLE 50 Main St, Logan, UT The foundation of the tabernacle was begun in 1864. The building took twenty-seven years to complete. The building was dedicated in 1891 by LDS Church president Wilford Woodruff.

2- ELLEN ECCLES THEATER 43 Main St, Logan, UT The theatre, which seats approximately 1100, is used for concerts, community theatre, ballet performances, and film showings. It has also become a stop for many national touring acts each year.

3- SMITHFIELD TABERNACLE 99 W Center St, Smithfield, UT Construction began in April 1883. It was completed in December

1902 at a cost of approximately $77,000. The tabernacle was dedicated on 19 February 1905 by LDS apostle Rudger Clawson.

4- SPACE DYNAMICS LAB AT USU Logan, UT
The Utah State University Space Dynamics Laboratory has been solving the technical challenges faced by the military, science community, and industry for more than six decades.

5- THE AMERICAN WEST HERITAGE CENTER The American West Heritage Center is a wonderful recreation of a Pioneer settlement with many historical exhibits. It features many pioneer businesses, shops, blacksmith shop, Woodwright shop, confectionary, etc.,
with many helpers dressed in pioneer outfits to assist and to demonstrate the activities of the various shops, homes and businesses. You will enjoy the old farm machinery and the farm animals (including a buffalo)

6- CLARKSTON MARTIN HARRIS PAGEANT Clarkston, UT A pageant depicting the life of early Mormon leader Martin Harris, "The Man Who Knew" in the amphitheater located next to the Harris gravesite in Clarkston.

Treks in Carbon County, Utah

1- NINE MILE CANYON TOUR East of Price, Utah, Nine Mile Canyon will lead you through "the world's most spectacular art gallery" with may pictographs and petroglyphs left by ancient Native Americans. Take a Box Lunch. Tour takes about 7 hours. (note: Tour begins in Carbon County and ends in Duchesne County)

2- SCOFIELD MINE DISASTER CEMETARY Scofield, Utah The Scofield mine disaster occurred on 1 May 1900 when an explosion ripped through the Winter Quarters Number Four mine located west of Scofield. Men working in the mine were killed outright by the explosion, which occurred when an excessive amount of coal dust ignited inside the mine. Most of the miners were buried in the Scofield City Cemetery. See more details on the internet.

3- WESTERN MINING AND RAILROAD MUSEUM 294 S Main St, Helper, UT (435) 472-3009 https://www.carbon.utah.gov/attraction/western-mining-railroad-museum/ The Western Mining and Railroad Museum contains tools and equipment that were used by the workers in the mines and on the railroads. The

museum tells the story of people who worked in the underground mines between 1880 and 1950, after discovering vast coal deposits in Castle Gate.

Treks in Iron County, Utah

1. PARAWON GAP PETROGLYPHS West of Parawon, UT 10.5 miles on a paved road are the Petroglyphs. The Petroglyphs here are thought to be the work of several cultural groups and represent a long period of use by Native cultures. The Petroglyphs are well marked by the BLM.

2. IRON MISSION STATE PARK MUSEUM 635 North Main Street Cedar City, UT 84721 (435) 586-9290 ironmission@utah.gov Lack of iron was a major concern to pioneers who began settling Utah in 1847. When iron ore was discovered in southern Utah, Mormon leader Brigham Young called for volunteers to colonize the Cedar City area in December of 1850.

3. FRONTIER HOMESTEAD STATE PARK 585 North Main Cedar City, Utah (435) 586-9290 Frontier Homestead State Park tells the story of development in Iron County when, in the 1850s, Brigham Young sent Latter-day Saint missionaries there to mine iron. The museum displays include horse-drawn vehicles used from 1850 to 1920 and a collection of Indian and pioneer artifacts.

4. UTAH SHAKESPERAN FESTIVAL Cedar City, UT. Backstage Tour Peek behind the scenery and into the Festival's various production areas to see how all the enchantment comes together. These informative tours are led by Festival actors and artists who can share their backstage knowledge with you. Participants must navigate stairs, though ADA routes are available if requested.

5. DOMINGUEZ-ESCALANTE AND OLD SPANISH TRAIL CASTING OF LOTS SITE. On 11 October 1776, an expedition of approximately fourteen men paused on a small, remote hill overlooking what is now called the Escalante Valley in Southern Utah to settle a controversy by casting lots that had the potential to destroy them. Reference: Research Paper, "Dominguez-Escalante and the Old Spanish Trail" by Jay M. Jones.

6. STATELINE MINING DISTRICT The Stateline mining district lies along the Nevada border in extreme northwestern Iron County, 57 mi west-northwest of Cedar City and 7 mi north of the Gold Springs district. The Stateline district veins

were discovered in the early 1890s and by 1896 most of the known mines had been discovered. Some on-site mills were erected but were not very profitable.

Treks in Kane County, Utah

1-KANAB UTAH'S LITTLE HOLLYWOOD TOUR Take a tour of actual film locations and walk where classic stars of Hollywood such as John Wayne, Dean Martin and Clint Eastwood once did.

2-KANAB CITY HISTORIC HOMES Step back to the early days of Kanab pioneer life. See the architecture of these historic homes and buildings.

3-MONTEZUMA'S TREASURE TOUR Montezuma's treasure is a mythical cache of gold and riches that some believe is hidden in the desert near Kanab, Utah. The search for the treasure has been ongoing since 1914. The legend of Montezuma's treasure is based on the story of Spanish conquistador Hernán Cortés and the Aztec Emperor Montezuma.

Treks in Millard County, Utah

1- TOPAZ JAPANESE AMERICAN WWII CONFINEMENT CAMP Topaz, one of the ten War Relocation Authority confinement sites, which was located 16 miles northwest of Delta in central Utah. Topaz had a peak population of 8,100 and recorded 11,212 people processed through the camp while it was in operation from September 11, 1942 to October 31, 1945. The Topaz site is located at 10,750 West and 4500 North and extends for a mile south and west. It is privately owned and protected by the Topaz Museum.
   TOPAZ MUSEUM 55 West Main, Delta, UT

UTAH HILL, SPANISH TRAIL, MUDDY MISSION, VALLEY OF FIRE, VIRGIN VALLEY

3- PINE VALLEY CHAPEL, MOUNTAIN MEADOWS MASSACRE, ENTERPRISE, HEBRON

4- ST. GEORGE TEMPLE, ST GEORGE TABERNACLE, BRIGHAM YOUNG HOME

5- JACOB HAMBLIN HOUSE, RED ROCK QUARRY, TONAQUINT CONFLUENCE PARK

6- ZION NATIONAL PARK -SELF GUIDED SHUTTLE TOUR 3 hours.

7- GHOST TOWN OF GRAFTON UTAH Near Springdale, UT This is a really cool ghost town with lots of information about the buildings. It has quite a history (even as a movie set of Sundance Kid). Being able to walk through the buildings made it even better and gave a real feel for what pioneer's lives must have been like.

8- KOLOB FINGERS AREA-ZION NATIONAL PARK Its spectacular red cliffs towering high into the sky. They are called the fingers because of the five cliffs that work together to form the landscape.

9- HURRICANE CANAL TRAIL HEAD Hurricane, Utah, Pioneers built a canal that was thought to be impossible to build, because they had "grit" and a "never quit" attitude.

10- SUPERSONIC TEST TRACK LaVerkin, Utah Located in a mesa above LaVerkin to see an amazing facility. In the 1950's this test track was a top secret government facility that was built to test ejection seats for the Air Force. The facility is now privately owned and companies around the world come to test on this amazing track. The one mile track sends specially designed sleds down the track at supersonic speeds.

11- TEMPLE TRAIL - The old pioneer Temple Trail was used to move lumber 80 miles from Mt. Trumbull to St. George for use in the construction of the St. George Temple. The main trail dropped down over the Hurricane Cliffs about 8 miles south of the Utah/Arizona border and continued up to the Ft. Pearce Wash on into St. George. The trip took about 7 days. The alternate route went to Antelope Springs where lumber could be stored until snow closed the sawmills.
From there, the trail went down over the Hurricane Cliffs just south of the Utah/Arizona border and joined what would later become the Honeymoon Trail. It followed the Ft. Pearce Wash into St. George.

12- FORT HARMONY SITE New Harmony, Utah It was established on May 20, 1854 by Brigham Young. It was built with adobe, and it served as the home of Mormon settlers like John D. Lee until 1862. The site has been listed on the National Register of Historic Places.

13- BABYLON (STORMONT MILL) Established in 1877 Babylon consisted of a group of mill workers for the Stormont Mill and their families comprising around 40 to 50 people. The name was derived from setting them apart from the neighboring Mormon communities via a biblical reference. There were no businesses, nearby Leeds and Silver Reef supplied services and resources. The water powered mill supported the silver mining industry.

14- LEEDS Formerly known as Bennington, Leeds was formed due to flooding in the neighboring town of Harrisburg. The residents in the flood-affected areas decided to move to this area in 1867. It was renamed in honor of Leeds in England, the origin of many of its settlers.
